---

You were looking for some alternative way to clean things or you wouldn't be reading this. I just want you to know that you can use salt to clean many things many ways and here are just a few.

1. Soak whites in salt water before wash to remove stains and whiten whites.
2. Soak your new toothbrushes in salt before use and they will last longer.
3. Mix salt with turpentine to whiten tub and toilet bowl.
4. Boil clothes pins in salt water and they will last longer.
5. Clean glass copper and pewter with a mixture of salt and vinegar, thickened by baking soda.
6. Pour a mound of salt on an ink stain and watch the salt soak it up.
7. Clean your iron with salt on a wet rag.
8. Salt melted in lemon juice will clean piano keys.
9. Salted water makes an effective mouth wash.
