The view at this underwater restaurant is probably like none you've ever seen. Ithaa Undersea restaurant sits 16 feet below sea level at the Conrad Maldives Rangali Island Hotel in Rangalifinolhu, Maldives. Maldives is a country located about 300 miles from the southernmost points of India and Sri Lanka.

This is the world's first all-glass, undersea restaurant. The 16x30 ft. space has a maximum capacity of 14 people, and meals range in cost from \$120.00 to \$250.00 per person. The hotel recommends making reservations up to 14 days in advance.
