Mahindra Scorpio Special Edition gets the European leather-lined in luxurious tan & beige to the seats.

Mahindra Scorpio - Information

The Scorpio debuted in 2003 to take on the likes of the Toyota Qualis and the Tata Safari. In 2005, the Scorpio's engine was revised to a 2.6 litre common rail unit. This engine brought a further level of refinement to the vehicle. Later the company replaced its 2.6-litre CRDe engine with a more advanced 2.2-litre mHawk engine. Mahindra Scorpio can carry 7-9 passengers, depending on the seat layout.
