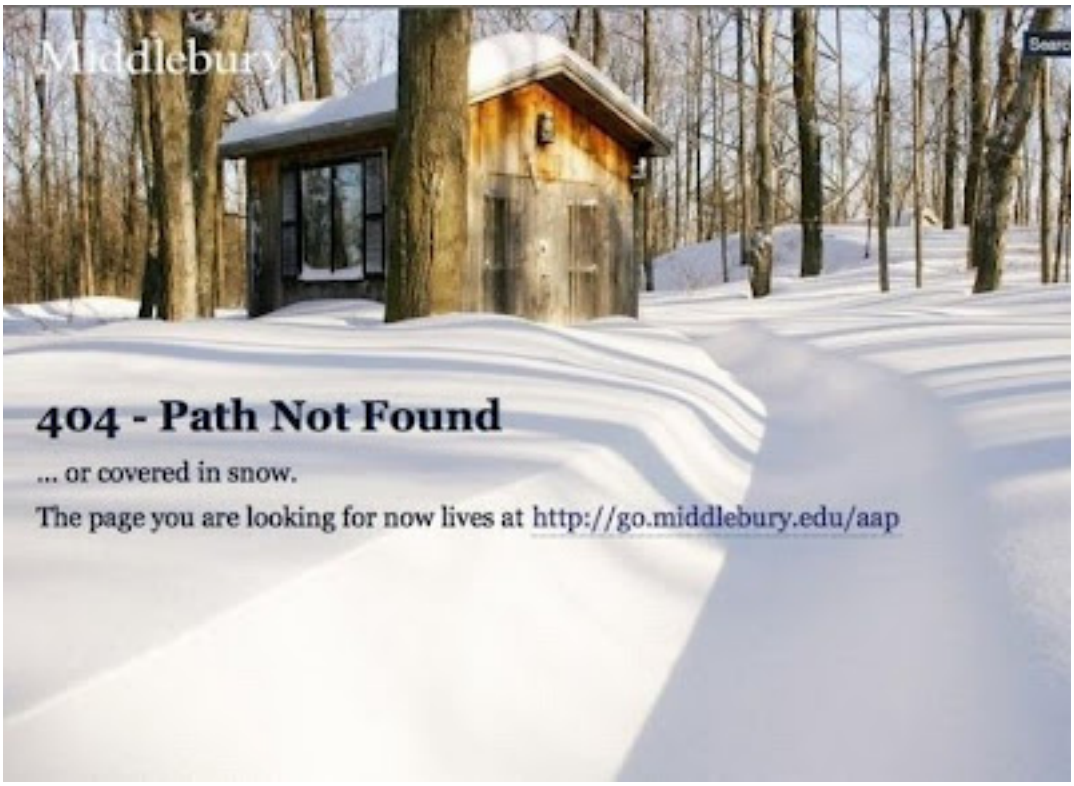
Best Collection of 404 Error Pages

495 Administrator Fri, May 7, 2010 Web Development 0 4010

Having a good Error 404 page is as important as having great contents. Sometimes it may not be your fault visitors landed on error pages, but being able to communicate and direct them back to the home page is as good as a second chance to re-engage a visitor. Error 404 page helps you does that.

If you don't have a Error 404 page on your website or blog, you should probably start thinking of creating one.



Middlebury
404 - Path Not Found
... or covered in snow.
The page you are looking for now lives at http://go.middlebury.edu/aap

To apply call: 404-File not found

Whoops looks like we lost one!
404 - Page can not be found.
Wait, why am I here?
Welcome to a 404 page. You are here because the page you have requested doesn't exist, at least not at this location.
Perhaps you could...
start at the homepage,
meet the crew,
checkout our portfolio,
read the Frye / Wiles story,
or send us a note.
Or read our blog.
Extra! We made the Press Enterprise!
Send Concrete5 to SXSW Interactive!
Sherwood Mechanical website launch
I'm in love...with Balsamiq Mockups
End of Year Portfolio Roundup!

File or Page Not Found

Someone on the staff is to blame for this! Rest assured, the proper person will get the proper amount of blame and humiliation dealt to them. If you have any choice words to pass along, please email chris@cutandtaste.com
