Improve Your Profits and Strategies

While this book gives advanced insight into every aspect of using AdWords to create and manage successful marketing campaigns, this book's two mantra words are profits and strategies. Advanced Google AdWords will help you create strategies to improve many aspects of your marketing including:

- Choosing and organizing keywords based upon user intent so your ads and landing pages are always relevant to the searcher.
- Controlling under which conditions your ad shows so you can save money and increase your conversion rate.
- Write ads that increase not just click-through-rates and profits
- Understanding quality score so that you can monitor and increase your quality score
- Learn how to set bids based upon ROI, time of day, profits, geography, and more

- Strategies for organizing your \$\$\$ based upon your goals
- Conversion tracking strategies to learn what parts of your \$\$\$ lead to sales
- Master testing ad copy and landing pages
- Follow step-by-step instructions to create action plans so you can easily monitor and manage your campaigns.
- Learn how to tame the content network so you can profitable expand your advertising goals.

Advanced Google AdWords is the ultimate step-by-step guide for developing advanced AdWords expertise. It is detailed, in-depth, and full of insights, techniques, tips, tactics and fascinating real-world case studies. The book will have very high visibility in the PPC community as it will feature a foreword from a Google AdWords insider, an AdWords coupon, and praise quotes from PPC industry notables.
