The view at this **underwater restaurant** is probably like none you've ever seen. Ithaa Undersea restaurant sits 16 feet below sea level at the Conrad Maldives Rangali Island Hotel in Rangali Finolhu, Maldives. The Maldives is a country located about 300 miles from the southernmost points of India and Sri Lanka.

This is the world's first all-glass, **undersea restaurant**. The 16x30 ft. space has a maximum capacity of 14 people, and meals range in cost from \$120.00 to \$250.00 per person. The hotel recommends making reservations up to 14 days in advance.
