

Nissan Murano launching in India - Pictures, Price & Review

784 Administrator Fri, Jan 14, 2011 [Automobiles](#) 0 4493

The name 'Murano' originates from the region of Venice, Italy which is known for hand blown glass production. The Nissan Murano was nominated for the North American Truck of the Year award for 2003 and even named the best premium mid-size SUV by AutoPacific. The **Nissan Murano**, when **launched**, will be one of the most unique crossover designs ever sold in **India**. The Murano has a powerful 3.5litre V6 engine that produces a potent 245bhp. The car is a front wheel drive (FWD) vehicle and is available with all wheel drive as an option. The Murano is the largest vehicle to have a CVT (Continuously variable transmission). Have a look at the **pictures** of Nissan Murano in India.

There are no confirmed news about the expected launch date of **Nissan Murano in India** however it is expected to be launched in mid 2011 with an estimated price tag of 35 lakhs.
