

First Date Ideas - Top 20 Ideas For First Date

953 Administrator Mon, Jun 27, 2011 [Love](#) 0 2617

What is a good first date? Most people settle for a dinner and a movie together. There is nothing wrong with that approach since it is time-tested and easy. Here is a list of some amazing **first date ideas** to help you get past the normal dinner & movie route.

Ingredients of a Good First Date

A good first date provides the right balance of conversation and pleasant distraction. While a well planned **first date** will show you off at your best, its also important to take into consideration the likes and personality of your date. Most importantly, make sure your date is having lots of fun and laughs! When adrenaline runs high, you'll be more attractive to your date and you'll be more likely to get a second date. Good luck!

Top 20 First Date Ideas

You may want to check out some of our **first date ideas**, but do try to be creative.

1. If you're adventurous, try sky diving.
2. Spend the afternoon at the beach and build a sand castle together.
